

[PADI Training Courses](#)

Dive North offer a range of PADI Training Courses, starting with the first underwater experience of *Discover Scuba Diving* to becoming certified as an *Open Water Diver* and continuing through with courses such as *Advanced Open Water*, *Emergency First Response* and a whole host of *Specialty Courses*.

Discover Scuba Diving - \$250 including full dive equipment

This 1 day course offers an introduction to scuba diving in a highly supervised but relaxed environment. Through guidance from your PADI instructor you will learn basic safety concepts and skills and will swim underwater in a closely supervised environment.

Scuba Review - \$265 including full dive equipment (\$215 own gear)

This is a great way for certified divers to update their diving knowledge and scuba skills after a period of inactivity.

Open Water Diver - \$600 including full dive equipment

The PADI Open Water Diver course is the world's most popular scuba course. Over 4 days we'll train you to breathe underwater, starting in the pool and then 4 great dives from the boat out in the Bay of Islands. We are lucky enough to have great dive sites especially for this course where you'll see amazing fish and beautiful colours under the water.

Half price membership to the Bay of Islands Underwater Club available through us too!

Advanced Open Water Diver - \$550 including full dive equipment

Despite being called 'advanced' you don't have to be 'advanced' to take this course, it is designed to be taken straight after your Open Water Diver course – so what are you waiting for?! During this 2 day course you will increase your confidence and build your scuba skills and you'll even be able to dive the famous Rainbow Warrior and HMNZS Canterbury with this certification!

Emergency First Response (First Aid) - \$150

First Aid and CPR are good skills for anyone involved in adventure sports to have and here you will gain skills and confidence to be able to help in an emergency.

Rescue Diver - \$600

Building upon what you're already learned, this course expands on what you already know about how to prevent problems and how to manage them if they occur. This course is both challenging and rewarding so allow 4 to 5 days!

Divemaster – \$1,950

Welcome to the first step of your Professional diving career! We can provide this course on an intensive basis which includes a minimum of 8 days depending upon your ability. Talk to us now for more details.

Divemaster Internship – Price on application

This is the most thorough way to step into the PADI professional role and will ensure you not only learn what is required to pass the exams but more importantly all aspects of being involved in the diving industry. We give you the opportunity to regularly dive from our boats, deal direct with customers whilst understanding the philosophy and mindset of the dive professional and we'll make sure it's fun!
